

## "BUFFALO BILL" TO PAY HIS FAREWELL VISIT TO CAPITAL

Will Give Performance of  
Wild West Show in  
Closing Tour.

Astride his famous mount, his silvered hair, his figure as erect as of yore, and with all the dignity of accumulated years, Col. William F. Cody, the "Buffalo Bill" of the plains, will bow his farewell to Washingtonians April 13. His big wild West show, with which he has been for years entertaining interested adults and wide-eyed youngsters, is to be here April 17 and 18, and he solemnly avers that at the last night's performance he will bid the Capital a final adieu as a showman.

Washington was chosen as the starting point of this farewell tour. The experience of Buffalo Bill on the plains covers the era when the Louisiana purchase was almost unsettled, and the State of Texas and the Western possessions acquired from Mexico were passing from the state of savagery to their grandly developed prosperity. In middle manhood he was a conspicuous figure in that section's thrilling history. For thirty summers and several winters in the larger capitals, with the exception of a few intermittent Indian campaigns, he has been actively engaged in depicting that once strenuous and picturesque epoch. His travels as a showman have been extensive in Europe and America.

Recognizing the changing conditions and the approach of "Father Time," the old scout has decided to retire from the onerous duties and anxieties coupled with his personal appearance and supervision. To do so while still active and energetic he believes wiser, so that he may devote more time to his other interests in the West. The seductive influence of rural life has won him back to the land.

## Fifteen Dollars Donated To Single Taxers' Club

Contribution of \$15 to the Fels fund will be made by the Women's Single Tax Club of Washington. This was decided at a meeting yesterday when the club received a full report on the proposed plans of the association just organized in Washington to bring before Congress the injustices under the present system of property taxation.

The Fels fund is to be used to put a single tax theory to a practical test in some city.

The club has sent copies of The Bible and The Single Tax Review, a periodical of the single tax school, to different libraries in the District of Columbia. Single tax books by Henry George have been ordered by club members. At the meeting a reading was given of "The Heavenly Story," by P. F. Longstreet.

## Collis P. Huntington's Niece Is a Bankrupt

NEW YORK, April 12.—Declaring she is penniless, with debts of \$2,751, Mrs. Lillian Huntington Colwell, niece of the late Collis P. Huntington, has filed a petition in voluntary bankruptcy. She was the wife of Lewis Colwell, a stock broker, and was divorced at Reno last January.

Mrs. Colwell was formerly married to J. Huntington Mills, divorcing him to marry Colwell, who also was a divorcee. In 1887 Colwell obtained a verdict for \$50,000 against Dr. Charles A. Atkinson, alleged alienation of the affections of Mrs. Colwell.

The chief creditor of Mrs. Colwell is the Union Trust Company, executor of the estate of Charles Ferdinand Hoffman, who died in April, 1908, leaving an estate of \$2,300,000. She gave Hoffman jewelry worth \$7,750 as security to buy Union Pacific stock worth \$13,125.

## Negro Lawyer Faces a Penitentiary Sentence

A penitentiary sentence is faced today by John W. Patterson, a well-known negro lawyer, following his conviction yesterday afternoon, by a jury, before Justice Wright, in Criminal Court, No. 1, of embezzling \$80 from two clients, Cora and Burrell Harris. The jury was out only ten minutes.

Patterson gave bail of \$500, pending hearing of a motion for a new trial and an appeal to the District Court of Appeals.

Restitution of the money was offered by Patterson in court, Justice Wright, requiring him to turn over the money after the trial. His clients said he has used subterfuge for months in retaining the money.

## More Guard Officers To Leave for Border

Inspection of the District National Guard being nearly over, arrangements are being made for the departure of the second detail of officers to the Texas-Mexican border. Those who have been selected to go are Col. W. B. Harvey, Lieut. Col. Luther H. Reichelderfer, and Capt. John W. Oehmman. They will leave April 21.

Tonight, at the Center Market Armory, the Medical Corps, Hospital Corps, and Ambulance Corps will be inspected.

## Pay Bets By Thousand on Alaska's Dog Marathon

NOME, Alaska, April 12.—Thousands of dollars in bets are being paid today upon Alaska's annual canine Marathon, a race of dog teams 412 miles from Nome to Candle and return, finished yesterday. A. A. "Scotty" Allen, driving the team of Mrs. C. E. Darling, of Berkeley, Cal., won the race in 51 hours and 40 minutes.

## Major General Greely To Attend Coronation

Maj. Gen. Adolphus W. Greely, U. S. A., retired, will represent the army at the coronation of King George V. in place of Maj. Gen. Frederick Dent Grant, who reconsidered his acceptance of the honor and finally declined.

General Greely formerly was chief signal officer of the army and commanded a North Polar expedition about thirty years ago.

## Boy's Testimony Aids In Winning Damage Suit

NEW YORK, April 12.—William B. Capell, salesman, got a \$30,000 judgment against the New York Transportation Company for personal injuries, the jury accepting the testimony of a ten-year-old boy against ten older witnesses produced by the defendant.

## Famous Showman on His Final Tour

COL. WILLIAM F. CODY,  
Better Known As "Buffalo Bill."

## Daughter of Prominent Philadelphian Missing

PHILADELPHIA, April 12.—Miss Lydia Mason, daughter of the late Joseph Mason, who was a prominent lawyer of this city, wandered from her home at Leopold, Chester County, last evening, and notwithstanding the efforts of hundreds of men of the surrounding countryside and troopers of the State police, had not been found up until a late hour tonight.

Miss Mason is past thirty years of age for the last twelve years from neurasthenia. She is of medium height and weight and of dark complexion, with hair cut short. When last seen she was wearing a plain black dress, but no coat or hat.

The case is one of the most peculiar ever brought before the State bar. If Miss Mason had fallen into one of the creeks her body would have come to the surface, and it seems impossible for her to have got far on the roads without being seen.

Miss Mason was a student at Bryn Mawr College at the age of seventeen, when she was first affected by the disease, which is said to have weakened her mind.

## Thought Beecher's Ear Was Place for Pansy

NEW YORK, April 12.—An excited boy ran up to Patrolman Julius F. Schultz, of traffic squad D, at Washington street and Myrtle avenue, Brooklyn, and cried:

"Hey, mister! There's a drunken man trying to put a pansy in Beecher's ear!"

Schultz, not divining what the lad meant, followed him to Borough Hall Park, in which stands a statue of Henry Ward Beecher. A crowd was there, jeering at a man who was doing his best to shun up Beecher's coat. He held a pansy.

"Hey, there! What's you doin'?" yelled Schultz.

"All right," was the response, "I'm goo' feller. Henry here was goo' feller, too. So I wanna put pansy in his ear!"

Schultz yanked the decorator to earth. He said he was Robert Murray, thirty-seven years, a plasterer, living at 330 St. Mark's avenue. Magistrate Hyman, in the Adams street court, suspended sentence when Murray promised not to display his admiration too publicly again.

## BABY'S ECZEMA BEGAN IN PIMPLES

When Two Weeks Old, Would Water and Itch. Broken Out Most on Face. Used Box of Cuticura Ointment and Nearly Cured of Cuticura Soap. Was Completely Cured.

"My little girl had eczema on her face when first started to break out on her skin when she was two weeks old. It began in pimples, and would water and itch. It was on the back of her neck in the edge of her hair, and in between her shoulders. But it was broken out on her face."

"I consulted with two different doctors, and they did not seem to help her. Then a cousin of mine recommended the Cuticura Remedies. She said they cured one of her children, so I tried them, and they gave my child relief. I used a box of Cuticura Ointment and nearly a cake of Cuticura Soap, and my little girl was completely cured. She is three years old now and has not a sign of eczema. I have been keeping the Cuticura Remedies ever since and think the Cuticura Remedies are all right. I tell other people about them and how they cured my little girl."

(Signed) Mrs. Minnie Clutter, Deer Lock, Pa., Aug. 29, 1910.

## Army Officer, Shot By A Watchman, "Forgets"

SAN FRANCISCO, April 12.—Captain Frank A. Cook, U. S. A., shot during an encounter with John J. Hayes, a watchman, last evening, is believed to be recovering. He stoutly maintains that he does not remember meeting the watchman or entering the store where the trouble began. He listened eagerly to the story of how he had broken into the place, and then, during a struggle with the watchman, was shot.

He said today that having a few drinks the night before is the last that he remembered until he entered the hospital.

Captain Cook, who is a substantive officer of the commissary department of the army, had just arrived from Manila on the transport Sheridan.

## Postpone Meeting As Respect to Mrs. Dimock

The mass meeting of delegates from the civic, fraternal, patriotic, and other societies which was to have been held last night with the conventions committee of the Chamber of Commerce in the interest of the campaign for subscriptions for the George Washington Memorial Hall convention fund will be held next Tuesday night at the rooms of the Chamber of Commerce.

The meeting last night adjourned shortly after being called to order as a mark of respect to Mrs. Henry F. Dimock, president of the George Washington Memorial Association, who is mourning the death of her husband, which occurred in New York on Monday.

The ceremonies were conducted by Harmony Lodge, No. 17, F. A. A. M., last night. The Nationals were represented by Thomas C. Noyes, president; W. H. Rapley, treasurer; James McAleer, manager, and Robert Groom, pitcher.

# Waterman's IDEAL Fountain Pen

IS FIRMLY LOCKED  
BY A SLIGHT TWIST  
OF THE  
CLIP-CAP

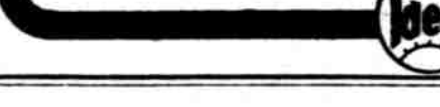

A UNIQUE but very important feature, original in Waterman's Ideal Fountain Pens, is the cone, or tapering, shape of the barrel. This permits the cap to slip on easily, and by a slight twist, to lock securely. A slight reverse twist unlocks it. Never pull the cap straight off. When locked in, the gold pen is carefully protected. The Cone shape is also the most practical and comfortable for writing. Writer's cramp is unknown in the use of this style pen.

This is only one of the many thoughtful features which have contributed to the unprecedented popularity of Waterman's Ideals.
